MORE TO BE ADMIRE THAN THE RICHEST DIADEM EVER Worn by Kings or Emperors

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and snarled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

NEW YORK, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under to the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

S. THALBERG.

"Drech a'r Gaylyndet"

Welsh Newspaper office, 13, Nassau st.

April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARLTON.

NEW YORK, July 25, 1857.

Dr. O. J. Wood—With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who partake freely. J. G. KILBY.

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it fully restored to its original color, health and appearance, and I cheerfully recommend it to all.

J. D. HORN.

Chicago, Ill., May 1, 1857.

The Restorative is out up in bottles of 3 sizes, viz: large, medium, and small; the small holds $\frac{1}{2}$ pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retail for two dollars per bottle; the large holds quart, 40 per cent more in proportion, and retails for \$3.

Why is the Demand so Great for

AGUE BALM.

Balsam will, in all cases, safely and effectively cure that much dreaded scourge of the west—Chills, Fever and ague—without oil, and in cases will counteract the poison of Malaria, of which fact thousands do testify; and, unlike all other nostrums, it is entirely recommended for one class of diseases, and as a tonic it is unsurpassed. We will offer a few evidences of its worth, by men of influence and high standing.

PRINCETON, ILL., Sept. 20, 1857.

Dr. Mann—Dear Sir: For several years past I have used your Ague Balm in my daily practice, and have closely observed its effects in hundreds of cases, and in no case has it failed to produce the most happy result. I can most cheerfully recommend it as a certain specific for chills, fever and ague, and mortal diseases.

Truly Yours, H. Austin, M. D.
